

Ricerca nel web:

E' inoltre possibile lanciare una ricerca in rete scegliendo tra i motori di ricerca Yahoo, Wikipedia, YouTube, IMAGO, Anobii.

The screenshot shows the sbn Polo Bolognese website interface. At the top right, there is a blue 'Accedi' button with a user icon. Below it, a navigation bar contains 'Catalogo', 'Liste', 'Web', and 'Bibliografie'. The 'Web' button is highlighted with a yellow box. A search bar is present with a 'Google' dropdown menu, also highlighted with a yellow box. Below the search bar, a red navigation bar contains links: 'Homepage', 'Chi siamo', 'Dove siamo', 'Eventi e news', and 'Chiedi al bibliotecario'. On the left side, there are three grey boxes: 'Catalogo tradizionale OPAC' (with a link to traditional access), 'Altri cataloghi' (with a link to other online catalogs), and 'Estendi la ricerca' (with a link to search multiple catalogs simultaneously). The main content area features a 'Le novità' section with the text 'Seleziona la biblioteca e Scopri i nuovi acquisti!' and a row of five book covers: 'USA IL CERVELLO' by Michel Cymes, 'IL BAULETTO DI PINA MARINI', 'Il mangiatore di carta' by Edgardo Franzosini, 'Fuori di sé' by Luciana Castellina, and 'OGGI HO IMPARATO A VOI' by Michael Ondaatje. Navigation arrows are visible on either side of the book covers.
